Dear Colleague

Re: Bishop's Visit on Wednesday 11th July 2018

This year we celebrate our 'outstanding' Section 48 Inspection and Ofsted grading. It also marks the 55th Anniversary of the opening of St Damian's RC Science College. To mark these great achievements, we are delighted to inform you that the Right Reverend John Arnold, Bishop of Salford will visit our school and lead a celebratory Mass on Wednesday 11th July 2018.

Bishop Arnold will bless our school community in this special Mass attended by the Mayor of Tameside, Governors, invited guests and all our staff and pupils. After which there will be a complimentary celebratory buffet lunch for all staff, governors and invited guests.

Enclosed is a summary of the plan of the day and we would be grateful if Head of Years and Form Tutors could run through this with the pupils. As this is such a momentous occasion the Governors have approved an early finish for all pupils at approximately 12:45pm and staff shortly after the buffet lunch ends.

This is a great opportunity to showcase St Damian's at its very best. This day will mark the start of a week of special activities for our school; staff and pupils alike, all of whom have worked extremely hard all year to achieve excellent results. We are incredibly proud of the achievements of our college community.

Finally, may we take this opportunity to THANK YOU – for your hard work, dedication and commitment in ensuring St Damian's has become the outstanding school we all knew it should be. We very much appreciate your contribution and support towards our continuing success. The outstanding grades are simply a tribute to our positive relationships which makes us a strong caring Catholic Community. We wish to thank every single person who has helped us along the way.

Yours sincerely,

Mr S Logue
