Dear Parent/Carer,

We were notified today that on Thursday and Friday this week we will be welcoming three Diocesan Inspectors into school for our Section 48 Inspection.

The Inspectors will look at the catholic character of the school focussing on three main points;

- ✚ Catholic Mission
- ✚ Quality of religious education
- ✚ Collective Worship

They have requested that parents/carers share their positive views with them via a questionnaire which you can access via the link below.

PARENT

The link will close on the 16th May at 8:00pm.

In our previous report, and the letter inspectors sent to pupils, they commented on the 'warm welcome' they received and how 'very impressed with how proud pupils were of St Damian's, all the work it does and all it stands for'. The report also spoke of 'the quality of relationships across the school which demonstrates a profound commitment to the dignity and well-being of every individual within the community' and 'the Catholic life of the school as a worshipping community committed to the service of those in society most in need'.

Since our inspection in 2016 St Damian's have made great strides inspired by catholic social teaching and our updated mission statement which fully reflects the St Damian's family. Our culture has been strengthened by 'The St Damian's Way' providing students the opportunity to build and deepen their relationship with God and live out the gospel values.

May I take this opportunity to thank you for your continued help and support.

Yours sincerely

Mr S Logue
